Now, please tell us a little about your household.

1. Including yourself, how many people currently live in your household? Please include children and adults.
   - □ 1 person; I live by myself → END HERE
   - □ 2 people
   - □ 3 people
   - □ 4 people
   - □ 5 people
   - □ 6 or more people

2. How many of these people are younger than 18 years old?
   - □ 0 people
   - □ 1 person
   - □ 2 people
   - □ 3 people
   - □ 4 people
   - □ 5 or more people

This module uses Questions 37-38 and was renumbered from section "HOUSEHOLD COMPOSITION AND SIZE" (page 10) from the full document "NSHAP COVID-19 Study"
