

## Data Collection Worksheet

**Please Note:** The Data Collection Worksheet (DCW) is a tool to aid integration of a PhenX protocol into a study. The PhenX DCW is not designed to be a data collection instrument. Investigators will need to decide the best way to collect data for the PhenX protocol in their study. Variables captured in the DCW, along with variable names and unique PhenX variable identifiers, are included in the PhenX Data Dictionary (DD) files.

### Administration Instructions:

**Question 3:** There are many manifestations of "dry eye" besides the symptoms in the question, including excess tearing. Most people will be familiar with this condition. They need not have been told by an eye doctor they have this condition. Emphasize "for the past 3 months or longer" when you ask this question. If the participant has occasional episodes of dry eye, it should on average be a complaint at least 4 out of 7 days for the past 3 months or longer. Emphasize "not related to allergy" when using the probe for this question.

**Question 4:** There are a number of over-the-counter artificial tears which are used for this condition. Visine, taken for allergies, does not qualify as an artificial tear unless specifically prescribed for dry eye. Drops taken for contact lens do not qualify as artificial tears for dry eye. Note that the question requires current (4 out of 7 days) use for 3 months or longer.

1. Is the participant currently taking drops for glaucoma?

0  no

2  yes

8  uncertain

2. What is the name of the glaucoma drops you are using?

2865  Alphagan®

1152  Betagen®

1156  Betopic

2770  CoSopt®

2014  Pilocar®

2298  Timolol

2299  Timoptic®

2437  Xalatan®

Other \_\_\_\_\_

8001  Unknown

3. For the past 3 months or longer, have you had dry eyes? (foreign body sensation with itching and burning, sandy feeling, NOT related to allergy)

0  no

2  OD

3  OS

4  OU

5  ?eye

8  DK

4. Do you currently use artificial tears or prescription medication for dry eyes regularly for 3 months or longer?

0  no

2  yes

8  DK

5. Are you currently using steroid eye drops?

0  no

2  yes

8  DK
