**Please Note:** The Data Collection Worksheet (DCW) is a tool to aid integration of a PhenX protocol into a study. The PhenX DCW is not designed to be a data collection instrument. Investigators will need to decide the best way to collect data for the PhenX protocol in their study. Variables captured in the DCW, along with variable names and unique PhenX variable identifiers, are included in the PhenX Data Dictionary (DD) files.

### SEXUAL BEHAVIORS

*I'm going to ask you some questions about having sex. Please remember your answers will be kept private. **GIVE RESPONDENT FLASHCARD H.1***

*For these questions, "having sex" means oral, vaginal, or anal sex. Oral sex means mouth on the vagina or penis; vaginal sex means penis in the vagina; and anal sex means penis in the anus (butt). I need to ask you all the questions, even if some may not apply to your situation.*

**Interviewer: Use your discretion in using slang terms for the following sexual behavior questions.**
